

PRAYER

TO THE BLESSED LOUIS AND ZÉLIE MARTIN

God of eternal love,
you gave to us in the blessed spouses Louis and Zélie Martin
an example of holiness lived out in marriage.
In the midst of the duties and difficulties of life,
they sustained faith and hope.
They raised their children to become saints.
May their prayers and their example
support all families in their Christian life
and help us all to grow in holiness.
If it is your will,
deign to grant us the grace we ask you right now
through their intercession,
and include them in the number of the saints of your Church.
Through Jesus Christ, our Lord.
Amen.
